Prince Imperial Champagne. EPERNAY,

Sold by all respectable Dealers throughout THIS fine brand of Champagne, which until the past year was confined exclusively to the best tables of the Continent of Europe, has now obtained the most unbounded success and popularity in this country. It is recommended by some of the first Physicians of the city of New York, over all other wines, on account of its extreme purity and delicacy, and those who once try it rarely use any other brand. Although only one year has elapsed since its introduction into this country, the demand is enormous, and constantly increasing. Our arrangements are such as to ensure the quality of the Wine being maintained at its present high standard. The
